Dear contact,

Spring is finally here! We're ready to get back outside in the fresh air and sunshine. That's why we're really looking forward to our 5K YOUR WAY and Family Fun Run fundraiser next month. We hope you will consider sponsoring the event to help us raise much-needed funds to support local homeless youth.

Your support and the support of so many like you in our amazing community has made it possible for youth at WAIT House to have extras government funding and grants don't cover. Your donation goes directly to supporting the youth we serve by providing food, shoes, backpacks, clothing, hygiene items, medications, educational supplies, cell phones and transportation to youth who otherwise would not be able to afford these necessities.

WAIT House is the only homeless shelter in our area dedicated to serving youth ages 16-24. We operate 2 in-house shelter programs. Our Emergency Shelter Program serves young men and women for up to 60 days. Our Transitional Living Program serves young mothers and their children for up to 2 years. WAIT House also operates several offsite programs out of the new Joan Grishkot Outreach Center. These programs meet youth where they are and connect them with services and housing appropriate for their situations.

I sincerely appreciate your ongoing support of WAIT House and the homeless youth we serve.

Thank you for considering a sponsorship of this year's 5K YOUR WAY.
